

## SMRC LONG BEACH CAMPUS CENTRAL SERVICE SITE

1170 West Railroad Street  
Long Beach MS 39560  
PHN: 228-868-2923  
FAX: 228-865-9364

**From Jackson:** South from Hattiesburg on U. S. Highway 49, Exit onto Interstate 10 toward New Orleans. Traveling west on I-10, turn left at Exit 28 on Beatline Road. You will be going south - continue along Beatline Road for a distance of approximately six (6) miles to SMRC's main entrance on the left.

**An alternative route** follows U. S. Highway 49 until that highway intersects with Highway 90 along the coastline. At that intersection, turn right and continue westward toward Long Beach. After entering the city limits of Long Beach and traveling west past two stop lights, continue for approximately 2-3 miles. There will be a large, green sign designating the Center and directing your right turn approximately 1500 feet farther. Turn right onto White Harbor Road and travel less than one (1) mile. As you cross the railroad tracks, the Center is immediately visible to the left across Railroad Street. Follow Railroad Street around the curve to Beatline Road. The Center's entrance will be on your right.
